U.S. DISTRICT COURT

Re: Herbert Cephas v. Robert Ercole,
07 Civ. 6048 (NRB)

Your Honor:

I am writing to request a brief extension to until December 19, 2007, to complete the Attorney General's response to the habeas corpus petition in the above-referenced matter. Your Honor previously granted respondent an extension of time until December 7, 2007, to file the Attorney General's response. However, because of my extensive caseload, which includes three habeas petition responses over the last month and another habeas response also due this week, I need additional time to fully respond to petitioner's claims. I therefore respectfully request an extension of time in which to file a response until December 19, 2007. I have not contacted petitioner regarding this extension because he is incarcerated and appearing pro se. *So ordered. 12/3/07*

I thank the Court for its consideration to this matter.

Respectfully submitted,

Priscilla Steward
